

FREQUENTLY ASKED QUESTIONS

For Clients

Can I still reach my contact at BWLK?

Yes, BWLK's phone number has not changed – it's still (239) 481-1331. For now, all email addresses ending in bwlk.net will be forwarded to the cesincusa.com addresses.

Can I request a survey online?

Yes, there is a special Florida Survey Request Form available on our website: www.cesincusa.com.

Where will our payments be sent from?

The checks will be mailed from our Brewer, Maine headquarters via the US Postal Service. This may mean there are additional days before your payment is received.

Who do I contact at CES if I have a question about my invoice?

Karen Whitaker, Finance Specialist, can help with any questions you may have. Her email is kwhitaker@cesincusa.com and phone number is (239-481-1331).

Who is CES, Inc.?

CES, Inc. is an engineering, environmental science, and land surveying firm headquartered in Brewer, Maine with eight locations. We've grown from a two-person civil engineering firm founded in 1978 by University of Maine graduates to a multi-faceted company assisting clients from project conception, design, construction, and beyond. CES has three technical divisions -- Engineering, Environmental Science, and Survey. We serve a variety of clients including those in the commercial, industrial, government, institutional, residential, and energy markets.

We look forward to bringing our shared expertise to provide our clients with additional capabilities to reach their project's goals.
